Dear St. Ann Parishioners,

In light of the current situation with Covid-19 (Coronavirus), and the need for all of us to assist in minimizing the spread of the disease in our communities (“community spread”), we are postponing our Parish Lenten Mission, Blessed Are You: The Beatitude Walk, with Sarah Hart, originally scheduled for March 29, 30 & 31st.

You can find information from the CDC about prevention and control, including limiting travel and large gatherings, here:
<https://www.cdc.gov/coronavirus/2019-ncov/community/index.html>

The St. Ann Parish Lenten Mission Team is concerned about this new virus and want very much to do our part in keeping this virus contained.

We are exploring future dates to host the event and will keep our parish community informed as we work to reschedule Sarah Hart’s concert series.

Thank you for understanding our prayerful consideration.

Blessings,

Fr. Mel O. Portula, CICM
Pastor
