

St. Ann's Parish 75-Year Anniversary Jubilee

Did you know that our parish of Saint Ann was founded on September 25, 1947? We are kicking off the celebration of 75 years since our parish founding with a Jubilee Year.

Our theme for this Jubilee Year is:
Saint Ann 75th Jubilee Year
Remembering. Celebrating. Renewing
"I am with you always." (Mt 28:20).

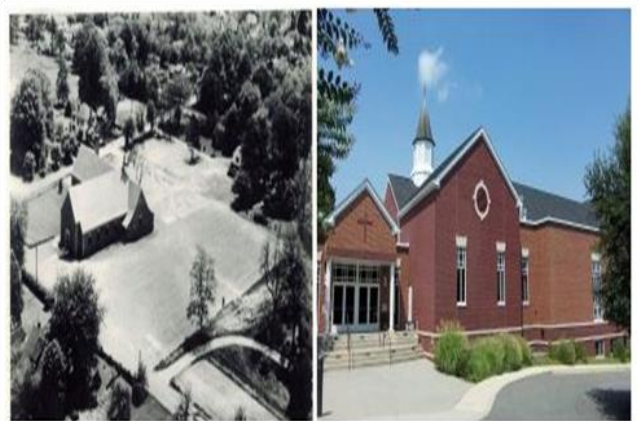

Remembering our birth, growth and development as a parish fills us with awe and wonder. We recognize God's handiwork in the faith journey of Saint Ann parish over these 75 years of forming a community of disciples and spreading the good news. This celebration gives us hope that all at Saint Ann discern how this gracious time of jubilee is also a time to renew our call to be followers of Jesus Christ.

The parish's 75th anniversary planning committee has recommended the creation of several subcommittees to organize our efforts throughout this Jubilee. You, all of you, each of you, have opportunities to offer to God a little bit of your time, treasure, and talents, to remember, to celebrate, and to renew Saint Ann. As we emerge in our own ways from the Covid-19 pandemic, we can renew this little treasure of a parish that our forebears brought to life in September of 1947.

The subcommittees and the contact information for each subcommittee are as follows:

Saint Ann School Students attend Mass.

St. Ann Parish in 1947 and in 2021.

Evangelization Committee

Jim Schellman - jim.schellm@gmail.com

If you have a passion for sharing your love of Jesus Christ and appropriate ways you have found to invite others into this experience, you will want to support this subcommittee.

Communication Committee

Patrick O'Donnell - popodonnell@verizon.net

Modern media, both social and old-fashioned, create a cacophony in which it can be difficult for Christ's message to be heard. If you are savvy about modern communications methods, we need you on the Communication Subcommittee to help get our jubilee year message out to both parishioners and the wider community.

History Committee

Mona Fox - monamurphy99@gmail.com

We hope to present the story of Saint Ann Parish in a way that informs and reminds parishioners of our 75 years of faith and growth and points us toward spiritual renewal. We aim to do this in two ways. First, we'd like to create a Saint Ann Stories Digital Archive via "Story Corps"-type interviews with parishioners. Second, we'd like to create a Saint Ann History Walk by presenting outdoor displays around campus with pictures, graphics, and timelines of significant events. If you like people, or have artistic/graphic/design lay-out skills or an interest in journalism, history, or digital technology, then this is for you. If you would like to share your memories, photos, or artifacts, we also want to hear from you.

Mission/Outreach Committee

Jim Ward - jim.b.ward@gmail.com

Saint Ann has a history of active ministries that strengthen the church's missionary identity. These 'works of mercy' make us a community of missionary disciples. The sub-committee aims to animate the Saint Ann community to deepen its missionary awareness by means of being in solidarity and united with communities in need beyond our parish borders. This sub-committee seeks volunteers to identify such overseas project/s to support (e.g. CICM overseas missions), organize parish activities to generate material support for such project(s) and create opportunities for parishioners to be mission oriented.

Parish Directory Committee

Marybeth Fraser - marybeth@magnificentmanors.com

The value of our parish directory is giving us a means to connect and get to know each other. If you enjoy outreach, scheduling, coordinating, and/or creating the layout and content of the parish directory, choose this subcommittee.

Reception Committee

Jim Saenz - jim@saenzmail.com

At the end of our 75th Jubilee Year, we'd like to have a parish gala, and we'd all enjoy little get-togethers as this year rolls on. If you'd like to help plan and coordinate various fellowship events throughout the jubilee year, especially a gala at the end of the year - then this is for you.
